<p>All in one floor! &nbsp;&nbsp;&nbsp;Come to see this cute and lovely casita.</p> <p>This unit has all you need: The entrance from the street is to an ample patio with fountain that has access to two clusters. If you take the one in the left side will find immediately Casa Sonia which has a comfortable terrace in front facing the fantastic common gardens. With that pleasant entrance you enter to the house and will see the living and dining room in an open layout with the kitchen, everything seems to be welcoming you, and waiting for you as the new owner of this home. In the second plane we can find two bedrooms and two full bathrooms. From the bedrooms you can have access to a
